

CSE594 Mobile Computing for Informal Economies
Fall 09 Anita Wasilewska & Jennifer Wong

Homework #5
Due in Lecture Nov 11

Submit a pictorial representation for first screen of the MATH EASY application (for children!). The screen has the following information.

MATH EASY

Levels of difficulty

1. Easy
2. Medium
3. High

Each student should submit an image in a PDF file which displays the above information with pictures (the words can also be included).

The Math Easy Group's website is here: <http://www.s1.webstarts.com/MathEasy>

Send a PDF file with your representation to wasilewska.anita@gmail.com, jwong@cs.sunysb.edu, and the Math Easy Group (navybhatia@gmail.com, gonewiththeway@gmail.com, asubbu87@gmail.com).
