

CS Course Information Form

If you need more space to answer any question feel free to write on the back of the page.

Course Number _____

Fall/Spring Year _____

Instructor Name _____

Textbook(s)

Have you taught this course before? If so, what will you try this semester to make it better?

Have you reviewed the course portfolio from the previous time this course was taught? What reactions (good or bad) do you have on reading it?

Review your official course objectives from <http://objsurvey.translab.cs.sunysb.edu>. How well do these match the course you are intending to teach?

Are the official course description and prerequisites appropriate to the course you are intending to teach? You can find them at <http://www.cs.sunysb.edu/CSSite/Undergraduate/CSMajor/Courses>

Have you set up a Blackboard account for the course? It is very useful for communicating with your class. To get a Blackboard account, click on <http://www.learn teach.sunysb.edu/faculty.htm>

Have you posted your office hours on your door and your webpage/syllabus?

What is the URL of your course webpage?

Is it available from the official webpage <http://www.cs.sunysb.edu/~cseXXX/>?
